We publish in this number several reports of committees which were made at the recent annual meeting of the American Institute of Criminal Law and Criminology in Chicago. Other items concerning the proceedings at that meeting will be published in the next following number.

Following is the list of officers for the ensuing year, elected at that meeting.

Y.; Walton J. Wood, Public Defender, Los Angeles, Cal.; Robert O. Harris, former Judge of the Superior Court of Massachusetts, Boston, Mass.

A meeting of the Executive Board was called for twelve o'clock noon, Wednesday, August 30, 1916, and eight members were in attendance, including the President. Inasmuch as the vicinity of Philadelphia now holds a larger number of members of the Board than any other one metropolis, it was voted to hold a meeting of the Executive Board in Philadelphia on October 14, 1916 (Saturday), at the University Club, 1510 Walnut Street.

ANNUAL MEETING OF THE AMERICAN PRISON
ASSOCIATION

A summary of the proceedings of the recent annual meeting of the American Prison Association, it is anticipated, may be found in the next number of this Journal. It is expected also that there and in succeeding numbers various committee reports and addresses heard at the meeting of the Association will be published.

MONOGRAPH SUPPLEMENT NO. 2

The second in the series of Criminal Science Monographs—supplements to this Journal—is now coming from the press of Little, Brown & Co., Boston. It is entitled “Studies in Forensic Psychiatry.” The author is Dr. Bernard Glueck, who until recently was a member of the staff of the Government Hospital for the Insane at Washington. On August first he assumed the directorship of the Psychopathic Laboratory in Sing Sing Prison—a laboratory that represents the most forward recent step in American criminology.
