Recommended Citation

Police Science Publications Received, 41 J. Crim. L. & Criminology 392 (1950-1951)

This Criminology is brought to you for free and open access by Northwestern University School of Law Scholarly Commons. It has been accepted for inclusion in Journal of Criminal Law and Criminology by an authorized editor of Northwestern University School of Law Scholarly Commons.

and might be well to have a copy on file, there seems to be no wide general application in the police field. However, if an individual police officer wanted to develop his ability to observe automobiles, this volume would unquestionably be of assistance to him since it does present a great deal of material in a relatively accessible manner.
