Recommended Citation

Publications Received, 50 J. Crim. L. & Criminology 573 (1959-1960)

This Book Review is brought to you for free and open access by Northwestern University School of Law Scholarly Commons. It has been accepted for inclusion in Journal of Criminal Law and Criminology by an authorized editor of Northwestern University School of Law Scholarly Commons.

him into the pitfall of granting parity to research results. Thus, numerous "contradictory findings" are pointed out to the reader, but a more critical treatment of some of these researches (e.g., those

of Max Schlapp on glandular criminology) would have reduced the number of contradictions.
